

# Software Engineer Intern JD

**Registered Office:** Neelkanth Corporate Park 3rd Floor, 303, Vidyavihar West, Mumbai, Maharashtra 400086 Website: <https://emizainc.com>

EMIZA is a fast-growing, innovative company with a mission to revolutionize the logistics and supply chain industry. Our solutions combine cutting-edge technology, data-driven insights, and a dedicated team to drive cost savings, efficiency improvements, and overall success for our clients. As an intern, you will have the opportunity to contribute to the development and growth of our organization while gaining invaluable hands-on-real-world software engineering experience in a dynamic, fast-paced environment, thriving company.

We frequently work in small teams to solve problems, explore new technologies, and learn from one another.
